We do not provide any deductions or refunds on the fees charged because of any mechanical inconveniences on the trip. If issues arise, we will try our best to help you, but if it is not solved, it is your responsibility to get assistance from RVshare.

The motorhome is not allowed to be at any concerts, festivals, or events, during the rental period (similar but not limited to Burning man, EDC, Black Rock City, Lighting in a Bottle, etc.). Event fees are double the standard rates as well as requiring a \$5000 security deposit and preapproval prior to the rental agreement by the owner for any such festivals. Therefore, the motorhome does not have permission to be driven to any events or shows as mentioned above.
