

To ensure you have a safe and enjoyable trip and you are aware of the expectations when renting this motorhome, this supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot, but we prefer to be upfront and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later.

1. Training: When you pick up the RV, we will complete a pre-rental orientation of the RV that will take about 1 hour, depending on any prior experience you have with operating a Recreational Vehicle (RV). Prior to leaving with the RV, all verified drivers will drive the vehicle for a short time with the owner present. It takes time to do a thorough and complete walkthrough, so please plan accordingly. If no one can get verified to drive, the booking will be canceled.

2. No Refunds for Early Returns: If you return the RV early, we do not refund the days you will not use it. This includes if you have been in a motor vehicle accident with the RV; however, if the MVA is not your fault, you may be able to recover your rental costs from the at-fault driver's liability insurance.

3. Fee for Late Returns: A fee of \$50 per hour will be charged if the RV is returned later than the agreed-upon time. If the RV is returned after dark or while the owner is unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be applied to your security deposit. Renter forfeits their right to complete a return walkthrough with the owner of the unit is returned at a time different than indicated in line item # 19. All drivers must be at least 25 years old and must be listed on the contract when you pick up the RV. NO EXCEPTIONS.

Example: 1-60 minutes late return \$50

61-120 minutes late return will \$100

4. Travel Restrictions: No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Roads shall be designed to carry the weight of heavy vehicles such as the RV. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.

5. Toll Roads, Red Light Cameras, Parking Tickets: Toll invoices are a major burden, and if we receive any, a \$70 administration fee plus the cost of the bill for EACH invoice will be applied to your security deposit. Responsibility for any traffic or parking violations will be transferred to you, and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.

6. Campground Reservations: We are not responsible for campground reservations – including cancelations for any reason. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from, and in addition to, the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

7. Awnings: We DO allow the usage of the exterior awning, but we advise using caution! This is for your own protection because they are NOT COVERED by insurance, and they are expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence, are 100% your responsibility and will likely exceed your security/damage deposit amount. Please be sure the awning is fully closed and secured before driving.

8. Tires: RV tires are partly filled with nitrogen as it does not cause pressure fluctuations. The tires on the RV have been inspected and checked, along with all other parts, before your rental period, but if a tire seems low, you can refill it with air. There is also a spare tire included on the front, in the rare event a flat tire/blowout occurs.

9. Rooftop Usage: We do not allow the use of the travel trailer's rooftop. Any evidence of rooftop usage (shoe prints, trash, storage, sagging areas) will result in a complete loss of your entire security deposit. If the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.

Dogs are not allowed on any upholstered area due to the soft material and the risk of stains, smells, or other damage. There is an additional refundable deposit required for dogs, equal to \$250.00 per dog. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and any excess damage will be charged to you accordingly. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for this to be removed.

11. Waste Holding Tanks: There should be nothing, including but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc., put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with rolls of RV-safe toilet paper, and we ask that this is the ONLY thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.
