

Reservation #

Renter acknowledges that he/she has received a copy of the RV instruction manual which details proper operation of the RV as well as other information specific to the RV (2018 Winnebago Spirit 22M). Renter has been advised that a duplicate copy of the RV instruction manual is also located within the RV for reference while traveling in RV.

Renter has also been advised to review the instruction manual provided and understands and agrees that failure to operate the RV (as indicated in owner instruction manual) and/or abide by owner rules while renting could result in charges against renter's security deposit and/or an insurance claim against Renter's RV insurance policy for damages incurred while renting RV.

Renter understands and acknowledges that pets of any kind are not allowed as part of the RV rental.

Return time is 1:00 pm unless prior arrangements have been made between renter/owner and are confirmed via messaging on RVShare platform. One hour grace period is provided; return of RV at any point past 2:00 pm will be charged a late fee of \$40 per hour. Further, if late return interferes with another booking, the late fee is the full nightly rate each eight hour period the vehicle is late plus an additional \$100 administrative fee.

Renter understands that the RV Owner is always available and can be contacted via messaging on the RVShare platform regarding issues that may arise while renting RV. If service is not available for messaging, Renter may contact Owner at number provided at departure.
