Welcome to SuddenLee Winnebago!

Before taking off on your journey:
☐ Check all outside compartment doors
☐ Raise Above driver bed
☐ Pull in all slides
☐ Make sure all levels are raised and secure
☐ Turn off generator
☐ Secure all Loose Items
Put extra loose items in sink or on bed in master
☐ Close and secure fridge
 Make sure all of your driving needs are near you and secure in seats and cupholders
☐ Check Tire Pressure
☐ Turn on inverter for fridge use
☐ Retract the auto leveling system if using – the RV will stop beeping once done
☐ Make sure gas tank is good for travel
You Are Ready to GO!
Once you arrive at destination
☐ Pull up so that the hookups are on the DRIVERS side
☐ Everyone except driver should exit the RV
☐ Set parking brake
☐ Set auto leveling system if using
☐ Turn off engine
☐ TURN OFF INVERTER
Welcome your family and friends back into the RV!
☐ Hook up electricity (30 AMP with SURGE PROTECTOR Are under the drivers
side compartment near the BLACK TANK Hose) 50 amp adapter is in back
 Unplug house line from RV, Send through hole in bottom and pull to Site Outlet
☐ NEVER hook into a burnt out outlet -
Use SURGE PROTECTOR to check the outlet (BLUE LIGHT means its good to go)
☐ Plug un 30 amp cord
☐ Hook up CLEAN water source (WHITE HOSE)

Put on gloves for BLACK TANK hook up. (BLACK HOSE in separate compartment Hook into ground source for emptying BLACK TANK Always make sure you have the hose laying angled toward the in ground sewage line Run BLACK WASTE lever to flush out and empty BLACK TANK Then RUN GREY lever to flush soapy water through PUSH LEVER BACK IN - DO NOT leave the levers unlocked as you will benefit from building up pressure in the sewer tank for easier emptying upon departure Put gloves and bags back into compartments If you will be using the STOVE or need HEAT Propane is under the drivers side Turn dial to which tank you would like to use and TURN ON PROPANE You are now ready to pull out the slides! Turn on RV (leave parking brake on) Pull back Slide all of the way out. DO NOT STOP AND GO Pull out Dining slide DO NOT STOP AND GO Pull down over driver sleeping area (LADDER and netting if needed are under the mattress Run water in kitchen until it runs smooth ENJOY!
