

Supplemental Rental and Rules Agreement for Stationary Rental

2017 Prime Time LaCrosse 335BHT

VIN: 5ZT2LCZB5HB008728

Owners: North Alabama RV Rentals

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot of information, but we prefer to be up front and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later. This agreement is a mandatory prerequisite to being allowed to use the RV during your rental period.

1. **Training:** Before the start of your trip, it is required to complete a pre-rental orientation of the RV. This orientation will take about 1-2 hours, depending on any prior experience you have with a RV. It takes time to do a thorough and complete walkthrough, so please plan accordingly.
2. **No Refunds for Early Returns:** If you return the RV early, we do not refund the unused days/time. This includes if you have been in a motor vehicle accident with the RV; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.
3. **Fee for Late Returns:** An administration fee of \$30 and fee of \$50 per hour will be charged if the RV is returned (available for pick-up) later than the agreed upon time. If the RV is returned after dark or while the owner is not home/unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be charged against your security deposit. The renter forfeits their right to complete a return walkthrough with owner if the unit is returned at a time different than indicated in line item #20. A driver at least 25 years old and listed on the contract must be present when the RV is delivered. **NO EXCEPTIONS.**

Example: 1-60 minutes late return \$80
 61-120 minutes late return will \$130

4. **Travel Restrictions:** No travel is allowed. The RV must remain setup where delivered.
5. **Toll Roads, Red Light Cameras, Parking Tickets:** You are responsible to disclose any tolls, red light tickets or parking tickets to owners at the time you return the RV. Toll invoices are a major burden. If we receive any tolls, tickets or fees related to your rental, a \$70 administration fee plus the cost of the bill for EACH invoice will be charged to you. Responsibility for any traffic or parking violations will be transferred to you and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.
6. **Campground Reservations:** We are not responsible for campground reservations – including cancelations for COVID. All campground reservations must be made separately from your reservation with us, with the campground's reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.
7. **Awnings:** We DO allow the usage of the exterior awning but advise using caution! This is for your own protection, because they are NOT COVERED by insurance, and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.

8. Generators: If you choose to use your own generator, the following rules will apply. Do not use generator inside the RV - it MUST be kept outside. Do not leave the RV unattended while a generator is running. Do not run a generator overnight or while sleeping due to safety reasons. Your generator must be a minimum of 3500 watts to run the systems within the RV without causing a power issue. You, the renter, assume all responsibility for all damages caused to the RV & its appliances and systems by using a generator.
9. Tires: The tires on the RV have been inspected and checked, along with all other parts, prior to your rental period but if a tire has low pressure, you can refill it with air. There is also a spare tire included on the front, in the rare event a flat tire/blowout occurs.
10. Rooftop Usage: We do not allow the use of the RV rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.
11. Dogs: You MUST request & get owner approval before allowing a dog in the RV. Owner reserves the right to accept or decline any dog, for any reason. Dogs are not allowed on any upholstered area due to the soft material and the risk of stains, smells or other damage. We do not charge an extra fee for a dog; however, there is an additional refundable deposit required for dogs, equal to \$250.00, per dog. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and you agree to pay any excess damage fees. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for it to be removed. (See Fees Addendum)
12. LP Detector: The LP detector is present for your safety. It is hardwired and supplied power through the house batteries. This means if the house battery levels get low, they might not supply adequate power to the LP detector, and it could start beeping. The Renter is responsible for maintaining the house battery level necessary to power the LP detector.
13. Propane: At least one full propane tank is provided with your rental. There is no requirement to refill the propane before returning the RV, but any additional propane required during the rental period is at the expense of the renter.

Tank 1 Level

Tank 2 Level

14. Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper, and we ask that this is the ONLY thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.

Renter Initials: _____

15. Cleaning: We do NOT charge an upfront cleaning fee. The RV must be returned with a clean interior. "Clean" means, as you received it or better – as shown in the trailer condition acknowledgement. If you return the RV dirty, you agree to pay a \$150 cleaning fee. Things like glitter, silly string, hair color, nail polish, etc. can cause a lot of damage and should not be used in the RV.
- 15a. A Deep Cleaning Fee of \$300 will be assessed if RV is returned unclean AND requires more than a surface cleaning or any reconditioning.
16. Smoking: There is NO SMOKING allowed in the RV. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you will be charged a minimum fee of \$1500. NO EXCEPTIONS.
17. Generator: If you opted for a generator add on with your rental, and by signing this agreement, you will be held responsible for the condition of the generator during the period of your rental. It must be returned in the same working condition as it was given to you. The generator is inspected between each rental. You will be responsible for replacing the generator if it is stolen or lost during your rental period. You are responsible for all generator fuel and the operation of the generator during your rental period. An additional \$250 refundable deposit is required per generator for the use of the generator(s). Generator is to be used outdoors only.
18. NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. If the RV is returned with any evidence of drug use or the transportation of drugs, it will result in law enforcement being called for a report and to collect the evidence.
19. Odors/Cooking: We do not allow anything that can create a strong smell in the RV that is difficult to remove, such as the long-term storage or cooking of fish, bacon, deer, etc. These must be prepped/cooked outside the RV. If food/cooking odors are detected, you will be charged and agree to pay the Deep Cleaning Fee of \$300. There is an outside kitchen and stove for your use, if needed in the preparation and cooking of smelly food items.
20. Rental Period: April 21st, 2022 at 3:00 pm, until April 25th, 2022 at 11:00 am.
21. Damage/Minor Repairs: Any damages/issues/problems/repairs need to be reported to us immediately. If a potential repair is minor, you may make the repair after consulting us. Do not repair anything until you've spoken to us about it. Replacement of defective parts and receipt must be brought back for reimbursement. If you purchase an item necessary due to an equipment failure (sewer or water hose, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. Should you make a repair without consulting us first, or without following written/oral instructions given, you assume liability for the repair and any subsequent repairs needed.
22. Renter Damages: If the RV, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, everything on the inventory list, etc., are damaged during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). In case of an accident, theft or vandalism occurs, you are responsible for obtaining a police report, and notifying us immediately. (A documented thorough walk through will be completed, with renter present, at the time renter takes possession) THE RENTAL PLATFORM (Outdoorsy, RV Share, etc) insurance policy does NOT cover interior damage or repairs. Damage to the interior of the RV is charged to the renter, via cash upon return or charged to your security deposit.

23. Appliances: The air conditioning, radio, microwave, television, stabilizing jacks, etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you. In case of any malfunction please contact us immediately for assistance and we will do our best to troubleshoot or attempt to have someone come to you for repairs.
24. Camper Abandonment/Owner Retrieval: If for any reason you abandon the RV, you will be charged a \$3,000 fee for Abandonment and Retrieval - plus any applicable fees for ANY lost/missing keys or items/parts from the trailer. Abandonment means leaving the trailer with no intention of returning to it or delivering it back to owner/drop-off location, before the end date/time of your rental period. In the event you abandon the trailer without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.
25. Lockout/Lost Keys: In the event a lockout occurs you agree to pay 2.00 dollars per mile, round trip, for owner to drive and unlock RV and a fee of \$25 PER missing key. If owner is in route and key is found and RV is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$25 fee PER key. If RV OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by owner before work is done.
26. First Aid Kit: There is a first aid kit provided. Please use what you need, should it become necessary – once it is opened, you own it & will be charged \$10 (replacement value). In the event you use anything in it, take the kit with you – Since the first aid kit is a personal and bodily fluid/pathogen related item, its not possible for us to pass it from renter to renter. SEPARATELY, there is a box of generic basic band aids in the bathroom vanity cabinet – use these, if necessary, without fee.
27. Extra fees: You may elect to add certain "extras" to your booking if you like. If you did not elect extra fees at the time of booking, such as the dump fee, etc., you can elect to pay them at the time of pickup or have them deducted from your deposit. 28. GPS Tracking: The RV has been equipped with a GPS tracking device for safety and must not be removed/unplugged for any reason. 29. Personal Property: The personal property you bring is your responsibility, and by signing this agreement, you release the RV owner(s) from all claims for loss of, or damage to, your personal property, or that of any other person left/carried in or on the RV during your rental period and day of return.

34. RV Return: When RV is returned, you agree that it will be free from damages and cleaned BEFORE the stated pick-up time. A preliminary walk through will be completed. Photos will also be taken by owner for reporting to rental platform &/or insurance. Once a thorough inspection has been completed by the RV owner, any fees for damages, cleaning, dumping, or any other charges will be deducted from your security deposit if applicable.
35. Credits: There will be no refund/credit for any lost rental time for any issue(s) that arise beyond the owner's control. This includes, but is not limited to, flat tire(s), weather, all systems within the RV that were working at pickup (refrigerator, heater, LED lights, sound system, etc.), damages to any part(s) of RV whether the renter was at fault or not, or due to renter's or any guests' negligence.
36. Rental Period Extension: If, for any reason, your rental period is extended beyond the original rental period dates, you agree that this document will also extend, be valid and enforceable for the entirety of your extended rental period.
37. Security Deposit: Your security deposit will be refunded (by the rental platform) after the RV has been thoroughly inspected and no issues or damages have been found. Said inspection may take anywhere up to 72 hours post rental period.
38. Dry Camping/Boondocking: Camping without hookups (water, sewer, power) restricts the capabilities of the RV. You are limited to freshwater tank capacity, black & gray tank capacities, battery capacity and propane capacity. These things need to be recharged, refilled, dumped, etc. These things are the responsibility of the renter. We, as owners, take NO responsibility for limited capabilities and capacities due to dry camping/boondocking. Should you choose to dry camp/boondock, you take full responsibility and liability for the limited capabilities and capacities, and any unmet expectations due to use without hookups.
39. Hold Harmless: Renter agrees to hold harmless the owner of the rented RV, at all times, for all situations. Renter assumes all risk when renting RV, and owner cannot be held responsible for any accident, injury, loss of income, loss of life or loss of or damage to personal property. Owner assumes no liability for how the RV is used during the rental period.

This agreement serves as a supplement to the rental agreement, regardless of the rental platform (Outdoorsy, RV Share, etc.) and supersedes all contradictory terms of the platform rental agreement, if any. This agreement also supersedes any contradictory terms and conditions listed on the rental platform.

Waste Tanks Addendum

Most renters are not familiar with properly operating an RV's black and gray waste holding tanks and; and therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees, if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks. There are also step by step instructions in our renters handbook inside the RV, and we will also give you a copy of these instructions during orientation. By signing this waste tank addendum you are agreeing that you have been taught how to dump the tanks and that you understand how to do it. (It is always ok to call or text us with questions for waste tank dumping or other issues during the course of your RV rental.)

**DO NOT EVER LEAVE THE BLACK or GRAY TANK
VALVES OPEN DURING USAGE!**

RV safe toilet paper will be provided and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amounts of food particles may result in a clog that will require extensive cleaning to clear.

****ALL ADD-ON FEES APPLIED TO YOUR SECURITY DEPOSIT WILL BE ASSESSED A PROCESSING FEE OF 5%.**
