

Supplemental Rental and Rules Agreement

(5ZT2CKVB7M2003136)

Owners: Andrew & Carmen Glass

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. The purpose of this agreement is to provide clear expectations of renter and owner to avoid confusion or unrealistic expectations before, during, or after your rental.

1. **Training:** When you pick up the RV, we will complete a pre-rental orientation of the RV that could take up to 1-2 hours, depending on any prior experience you have with a travel trailer. It takes time to do a thorough and complete walkthrough, so please plan accordingly.
2. **No Refunds for Early Returns:** If you return the travel trailer early you will not receive a refund for the nights you do not use. This includes if you have been in a motor vehicle accident with the trailer; however, if the motor vehicle accident is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.
3. **Rental duration and Fees for Late Returns:** The renter is expected to arrive on time for pick up and drop off at the agreed upon time as per the reservation. If time needs to be changed to better accommodate contact owner to adjust time. A fee of \$50 per hour will be charged if the RV is returned later than the agreed upon time. If the RV is returned after dark or while owner is not home/unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be applied to your security deposit. Renter forfeits their right to complete a return walkthrough with owner, if the unit is returned at a time different than indicated in line item # 19.

Example: 1-60 minutes late return \$50
 61-120 minutes late return \$100

4. **Travel Restrictions:** No travel is allowed on any non-paved roadways such as logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.
5. **Toll Roads, Red Light Cameras, Parking Tickets, Traffic Tickets:** Any and all tickets/toll expenses obtained during the rental period are the responsibility of the renter. If tickets/tolls are neglected, a \$70 administration fee plus the cost of the bill for EACH invoice will be applied to your security deposit. Responsibility for any traffic or parking violations will be transferred to you and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. *Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.*
6. **Campground Reservations:** We are not responsible for campground reservations. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

7. Awnings: We DO allow the usage of the exterior awning, but advise using with caution! This is for your own protection as well because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.
8. Fireplace: The fireplace is yours to use with caution. As with space heaters, electric fireplaces are dangerous if used improperly. You understand that you use the fireplace at your own risk, acknowledging that improper use, will cause a fire and you will be 100% responsible for any damage caused while using the fireplace.
9. Personal Generators: If you choose to use **your own** generator, the following rules will apply. Do not use generator inside the trailer - it MUST be kept outside. Do not leave the trailer unattended while a generator is running. It is highly recommended not to run a generator overnight or while sleeping due to safety reasons. Your generator must be a minimum of 3500 watts to run the systems within the RV without causing a power issue. You, the renter, will assume all responsibility for any and all damages caused to the trailer by the use of a generator. You are not allowed to travel with a generator inside the camper as they are heavy and cause damage to flooring and walls. Likewise, do not store gasoline canisters inside the camper at any time!
10. Tires: RV tires are partly filled with nitrogen as it does not cause pressure fluctuations. The tires on the RV have been inspected and checked, along with all other parts, prior to your rental period but if a tire seems low you can refill it with air at your own risk and expense. There is a spare tire included on the back, in the rare event a flat tire/blowout occurs. You, the renter agree you are 100% responsible for **ANY** tire failure that occurs during the rental period. Spare tire replacement is \$150 and will be applied against your security deposit. If you, the renter, are towing the rig, you will be loaned a tire pressure monitor for the rental period to assist you in your travels. While helpful, there is a chance the tire pressure monitor could have a sensor, mechanical, error, or other failure, and that does not negate any charges incurred for any tire repairs. You agree a fee will be charged against your security deposit for replacement of the monitor and gauges if they are not returned in good, working condition, or have been tampered with in any way. If you, the renter, are not towing: be advised a fee may be applied against your security deposit if the trailer tire sensors have been tampered with in any way.
11. Rooftop Usage: We **do not** allow the use of the travel trailer's rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.
12. Dogs: You MUST request & get owner approval *before* allowing a dog in the RV. RV Owner reserves the right to accept or decline any dog, for any reason. Dogs are *not* allowed on any upholstered area due to the soft material and the risk of stains, smells or other damage. We charge an extra fee of \$75 for dogs. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and any excess damage will be charged to you accordingly. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for this to be removed. If the renter arrives for pick up/delivery with a dog, who was not previously approved, the renter agrees to a pay \$150 last minute pet fee if pet and renter are cleared for departure. If evidence of unauthorized pets are found a fee of \$300 will be applied. (See Fees Addendum)
13. Propane: We do not require you to fill the propane tanks. You can have the tanks refilled if you run out at your own expense.

14. Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the **ONLY** thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.

14a. Waste holding tanks (Gray and Black) must be emptied prior to return and valves left **Closed**, and the screw cap left ON. If tank levels do not read EMPTY on the control panel, you will be charged a \$175 dump fee. NO EXCEPTIONS.

15. Cleaning: We do NOT charge an up front cleaning fee. We assume you're responsible enough to clean up after yourself. The trailer must be returned with a clean interior and empty tanks. "Clean" means, as you received it or better. If you return the trailer dirty, you will be charged a \$250 cleaning service fee.

15a. A Deep Cleaning Fee of \$500 will be charged if RV is returned unclean AND requires extensive amounts of cleaning or reconditioning.

16. Smoking: There is **NO SMOKING** allowed in the trailer. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you will forfeit your security deposit. Professional cleaning will be required at your expense. NO EXCEPTIONS.

17. Loaned Generator: If you opted for a generator add on with your rental, and by signing this agreement, you will be held responsible for the condition of the generator during the period of your rental. It must be returned in the same working condition as it was given to you. The generator is inspected between each rental. You will be responsible for replacing the generator if it is stolen or lost during the course of your rental period. You are responsible for all generator fuel and the operation of the generator during your rental period. An additional fee of \$25/night will be charged for use of the generator during the rental period. We do not charge per hour. The generator will run the air conditioning in the trailer. Generator is to be placed **outdoors only**. You are not allowed to travel with the generator inside the camper as they are heavy and cause damage to floors and walls. Likewise, do not store gasoline canister inside the trailer at any time!

18. NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. Any trailers returned with any evidence of drug use or transportation of will result in law enforcement being called for a report and to collect the evidence.

19. Odors/Cooking: We do not allow anything that can create a strong smell in the RV that is difficult to remove, such as the long term storage or cooking of fish, bacon, deer, etc. These must be prepped/cooked outside the RV. If odors are detected you will be charged the Deep Cleaning Fee of \$500. There is an outside kitchen and stove for your use, if needed in the preparation and cooking of smelly food items. We recommend cooking foods that "splatter" outside to avoid any extra unnecessary mess while you enjoy your trip.

20. Rental Period: _____ at __:____ until
_____ at __:_____.

21. Damage/Minor Repairs: Any damages need to be reported to us immediately. If the potential repair is minor, you may make the repair **after** consulting us. Do not repair anything until you've spoken to us about it. If you replace a part or item due to an equipment failure (sewer or water hose, refrigerator, filter, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. You **will not** be reimbursed for unapproved repairs.

22. Renter Damages: If the trailer, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, etc., are damaged during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). In case of an accident, theft or vandalism occurs, you are responsible for obtaining a police report, and notifying us immediately. (A documented thorough walk through will be completed, with renter present at the time renter takes possession)

23. Towing Safety: It is required that the sway/stabilizer bars, which are provided, be used at all times while towing the RV. Remove the sway/stabilizer bars prior to backing into a parking space or RV slot. When removing sway bars/pins/clips be sure to safeguard them. Any missing pieces will result in a claim against your security deposit. Please remember that trailers are much taller than the average vehicle and are not equipped to withstand an impact with a tree, low bridge/overpass etc. and will result in damages totaling MORE than your security deposit, so be aware of low clearance signs. All damages to the RV, including damage while driving (tree, toll road, low overpass, drive-throughs, etc.), are 100% your responsibility and will exceed your security/damage deposit amount. The dimensions of our travel trailer are listed on the Outdoorsy RV listing. Never attempt going through a drive-through towing a trailer - they are almost always too low.

24. Appliances: The A/C, radio, microwave, television, jacks, etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you. In case of any malfunction please contact us immediately for assistance and we will do our best to troubleshoot or attempt to have someone come to you for repairs.

25. Camper Abandonment/Owner Retrieval: If for any reason you abandon the RV, you will be charged a \$3,000 fee for Abandonment and Retrieval - plus any applicable fees for ANY lost/missing keys or items/parts from the trailer. Abandonment means leaving the trailer with no intention of returning to it or delivering it back to owner/drop-off location. In the event you abandon the trailer without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.

26. Lockout/Lost Keys: In the event a lockout occurs you agree to pay \$1.00 per mile, round trip, for owner to drive and unlock trailer and a fee of \$25 PER missing key. If owner is en route and key is found and trailer is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$25 fee PER key. If trailer OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by owner before work is done.

These elections will be noted on this agreement at the end.
29. GPS Tracking: The travel trailer has been equipped with a GPS tracking device for safety and must not be removed/unplugged for any reason. 30. Observation Camera: There is a rear observation camera installed on the travel trailer. If towing, you, the renter, will be loaned the observation monitor to assist you with your travels. The renter is responsible for knowing what is surrounding the trailer at all time; Damages that occur during camera use **does not** negate any charges and fees incurred during rental period and you, the renter, agree you are 100% responsible for **any** damages sustained. If monitor and camera is not returned in the same working condition it was during handoff or shows signs of damage or misuse, you agree to be charged for repairs up to and including full replacement if needed. Renters who opted for delivery are responsible for any damages made to the observation camera during the rental period.

Once a thorough inspection has been completed, any fees for damages, cleaning, dumping, or any other charges will be deducted from your security deposit if applicable.

37. Credits: There will be no refund/credit for any lost rental time for any issue(s) that arise beyond the owner's control. This includes, but is not limited to, flat tire(s), weather, any and all systems within the RV that were working at pickup (refrigerator, heater, LED lights, sound system, etc.), damages to any part(s) of RV whether the renter was at fault or not, or due to renter's or any guests' negligence.

39. Security Deposit: Your security deposit will be refunded (by Outdoorsy/RVShare) after the RV has been thoroughly inspected and no issues or damages have been found. Said inspection may take anywhere from 12-72 hours post rental period.
40. Speed Limit: Towing requires special attention to speed. Trailer tires are not rated for high speed, the way truck and vehicle tires are. While towing our trailer, you assume all liability for your rate of speed and by signing this agreement, you acknowledge the **MAXIMUM** allowed speed while towing the trailer is **65 miles per hour**. When towing, you are required to follow ALL "truck speed limit" signs, and never travel in the left lane, unless passing.

Waste Tanks Addendum

Most renters are not familiar with operating an RV's black and gray waste holding tanks and; therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks to accommodate the walk though that is done at pick up. By signing this waste tank addendum you are agreeing that you have been taught how to dump the tanks and that you understand how to do it. (It is always ok to call, text or email us with questions for waste tank dumping or other issue while you are renting the travel trailer.)

DO NOT EVER LEAVE THE BLACK OR GRAY TANK VALVES OPEN DURING USAGE!

RV safe toilet paper will be provided and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amounts of food particles may result in a clog that will require extensive cleaning to clear.

Waste holding tanks (Gray and Black) must be emptied prior to return and valves left CLOSED, and the screw cap left ON.

When you return the RV, the tank levels will be checked during our inspection and if the tank levels on the control panel do not read EMPTY, you will be charged a \$175 dump fee, NO EXCEPTIONS.

Please ensure tanks have been emptied and flushed, and tank levels on the control panel read EMPTY prior to returning. Once the RV has been unhitched you will not be permitted to leave again with the RV.

****ALL ADD-ON FEES APPLIED TO YOUR SECURITY DEPOSIT WILL BE ASSESSED A PROCESSING FEE OF 15%.**
