

Supplemental Rental and Rules Agreement

VIN:

Owners: MICHAEL SNIFFIN – 442-234-8258

Renter: Yourself

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot but we prefer to be up front and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later.

Training: When you pick up the TRAILER, we will complete a pre-rental orientation of the TRAILER that will take about 30-1 hours, depending on any prior experience you have with a motorhome. It takes time to do a thorough and complete walkthrough, so please plan accordingly.

1.

No Refunds for Early Returns: If you return the TRAILER early, we do not refund the days you will not use. This includes if you have been in a motor vehicle accident; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.

2.

Fee for Late Returns or Late Pickups: A fee of \$100 per hour will be charged if the TRAILER is returned later than the agreed upon time. If Renter drops off or heads out before agreed time Renter forfeits their right to complete a return walkthrough with the owner.. All drivers must be at least 25 years old and must be listed on the contract when you pick up the TRAILER. NO EXCEPTIONS.

Example: 1-60 minutes late return \$100

61-120 minutes late return will \$200

3.

Travel Restrictions: No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.

4.

Campground Reservations: We are not responsible for campground reservations – including cancellations for COVID or other natural disasters. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from and in

addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

5.

Awnings: We DO allow the usage of the exterior awning, but advise using caution! This is for your own protection as well because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.

6.

Generators: If any malfunctions should occur with your generator rental, no compensation will be made to you. In case of any malfunction please contact us immediately for assistance and we will do our best to troubleshoot or attempt to have someone come to you for repairs.

If you choose to use **your own** generator, the following rules will apply. Do not use a generator inside the trailer – it MUST be kept outside. Do not leave the trailer unattended while a generator is running. Do not run a generator overnight or while sleeping due to safety reasons. Your generator must be a minimum of 4000 watts to run the systems within the TRAILER without causing a power issue. You, the renter, assume all responsibility for any and all damages caused to the trailer & its appliances and systems by the use of a generator.

- 6a. Gen 1 - 8000 W. Gas gen - \$100 with full tank if gas
- Gen 2 - 8000 W. Dual Fuel Gen - \$150 with full tank of gas
- Gen 3 - 9000 W "Quite" Gen - \$200 with full tank of gas

7.

Tires: TRAILER tires are partly filled with nitrogen as it does not cause pressure fluctuations. The tires on the TRAILER have been inspected and checked, along with all other parts, prior to your rental period but if a tire seems low you can refill it with air. There is also a spare tire included in the back, in the rare event a flat tire/blowout occurs.

8.

Rooftop Usage: We **do not** allow the use of the travel trailer's rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.

9.

Dogs: You MUST request & get owner approval *before* allowing a dog in the TRAILER. Owner reserves the right to accept or decline any dog, for any reason. Dogs are *not* allowed on any upholstered area due to the soft material and the risk of stains, smells or other damage. We do charge an extra fee for a dog; however, there is an additional refundable deposit required for dogs, equal to \$100.00, **per dog**. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and any excess damage will be charged to you accordingly. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for this to be removed. (See Fees Addendum)

10.

Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the **ONLY** thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.

11.

13a. Waste holding tanks (Gray and Black) must be emptied prior to return and valves left **Closed**, and the screw cap left ON. If tank levels do not read EMPTY on the control panel, you will be charged a \$55 dump fee. NO EXCEPTIONS.

12.

Cleaning: We charge an up-front cleaning/Prep fee(\$120). This fee pays for refills of the tanks (Propane, Water ETC.) and laundry. The trailer must be returned with a clean interior and empty black and gray tanks. "Clean" means, as you received it or better – as shown in the trailer condition acknowledgement.

12a. A Deep Cleaning Fee of \$300 will be charged if RV is returned unclean AND requires more than a surface cleaning or any reconditioning.

13.

Smoking: There is **NO SMOKING** allowed in the trailer. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you are agreeing to forfeit your entire security deposit. NO EXCEPTIONS.

14.

NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit.

15.

Odors/Cooking: We do not allow anything that can create a strong smell in the TRAILER that is difficult to remove, such as the long-term storage or cooking of fish, bacon, deer, etc. These must be prepped/cooked outside the TRAILER. There is an outside kitchen for these things. If odors are detected you will be charged the Deep Cleaning Fee of \$300.

16.

Damage/Minor Repairs: Any damages need to be reported to us immediately. If a potential repair is minor, you may make the repair **after** consulting us. Do not repair anything until you've spoken to us about it. Replacement of defective parts and receipt must be brought back for reimbursement. There will be NO reimbursement if you do not bring back the defective part you replaced and the receipt. If you purchase an item necessary due to an equipment failure (sewer or water hose, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. Should you make a repair without consulting us first, you assume liability for the repair and any subsequent repairs needed.

17.

Renter Damages: If the TRAILER, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, etc., are damaged during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). In case of an accident, theft or vandalism occurs, you are responsible for obtaining a police report, and notifying us immediately. (A documented thorough walk through will be completed, with renter present at the time renter takes possession) THE RENTAL PLATFORM (Outdoorsy, RV Share, etc.) insurance policy does NOT cover interior damage or repairs. Damage to the interior of the trailer is charged to the renter, via cash upon return or charged to your security deposit.

18.

Please remember that the trailer is much taller than the average vehicle and is not equipped to withstand an impact with a tree, low bridge/overpass etc. and will result in damages totaling MORE than your security deposit, so be aware of low clearance signs. All damages to the TRAILER, including damage

while driving (tree, toll road, low overpass, drive-throughs, etc.), are 100% your responsibility and will exceed your security/damage deposit amount. The dimensions of our travel trailer are listed on the Outdoorsy TRAILER listing. Never attempt going through a drive-through in an TRAILER – they are always too low.

19.

Appliances: The A/C, radio, microwave, television, jacks, generator etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you. In case of any malfunction please contact us immediately for assistance and we will do our best to troubleshoot or attempt to have someone come to you for repairs.

20.

Camper Abandonment/Owner Retrieval: If for any reason you abandon the TRAILER, you will be charged a \$3,000 fee for Abandonment and Retrieval – plus any applicable fees for ANY lost/missing keys or items/parts from the TRAILER. Abandonment means leaving the TRAILER with no intention of returning to it or delivering it back to the owner/drop-off location. In the event you abandon the TRAILER without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.

21.

Lockout/Lost Keys: In the event a lockout occurs you agree to pay .75 cents per mile, round trip, for the owner to drive and unlock the trailer and a fee of \$350.00 PER missing key. If the owner is in route and key is found and the trailer is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$350.00 fee PER key. If the RV OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by the owner before work is done.

22.

First Aid Kit: There is a first aid kit provided. Please use what you need, should it become necessary. SEPARATELY, there is a box of generic basic Band-Aids in the bathroom vanity cabinet – use these, if necessary.

23.

Extra fees: You may elect to add certain “extras” to your booking if you like. If you did not elect extra fees at the time of booking, such as the dump fee, etc., you can elect to have them deducted from your deposit. These elections should be noted on this form at the end.

24.

GPS Tracking: The RV has been equipped with a GPS tracking device for safety and must not be removed/unplugged for any reason. Failure to accurately report your destination, or giving an arbitrary destination in order to attend a prohibited event will result in complete loss of your security deposit and you will be requested to return the TRAILER to the owner immediately, and NO refund will be granted for unused rental dates.

25.

Personal Property: Your personal property brought with you is your responsibility, and you release TRAILER owner(s) from all claims for loss of, or damage to, your personal property, or that of any other person left/carried in or on the TRAILER during your rental period and day of return.

26.

Personal Injury: You release owner(s) from all claims for injury, including, but without limitation to, personal, bodily, or mental injury, as well as economic loss or damage to you, children, guests, or relatives during your rental period including return period.

27.

Severability: If any provision within this Supplemental Rules and Rental Agreement is determined to be invalid, void, or unenforceable judicially, the remaining provisions shall remain in full effect and force.

28.

Modifications/Waivers: No provision within this Supplemental Rules and Rental Agreement can be waived or modified for any reason except in a written document that the owner(s) has signed.

29.

Damages Above Security Deposit/Insurance Claims: In the event there is any damage above the amount of your security deposit, you agree to pay the owner(s) any monies due and allow the rental platform

company to charge your credit card on file for said charges, plus processing fees.

30.

TRAILER Return: When TRAILER is returned, you agree that it will be free from damages, cleaned, and tanks emptied. A preliminary walk through will be completed and a precursory Return Form will be provided. Photos will also be taken by the owner for reporting to rental platforms &/or insurance. Once a thorough inspection has been completed, any fees for damages, cleaning, dumping, or any other charges will be deducted from your security deposit if applicable.

31.

Credits: There will be no refund/credit for any lost rental time for any issue(s) that arise beyond the owner's control. This includes, but is not limited to, flat tire(s), weather, any and all systems within the TRAILER that were working at pickup (refrigerator, heater, LED lights, sound system, etc.), damages to any part(s) of TRAILER whether the renter was at fault or not, or due to renter's or any guests' negligence.

32.

Rental Period Extension: If, for any reason, your rental period is extended beyond the original rental period dates, you agree that this document will also extend, be valid and enforceable for the entirety of your extended rental period.

33.

Security Deposit: Your security deposit will be refunded (by the rental platform) after the TRAILER has been thoroughly inspected and no issues or damages have been found. Said inspection may take anywhere up to 72 hours post rental period.

34.

Speed Limit: Driving a TRAILER requires special attention to speed. TRAILER tires are not intended for high speed. While driving our TRAILER, you assume all liability for your rate of speed and by signing this agreement, you acknowledge the **MAXIMUM** allowed speed is **65 miles per hour**. When driving our TRAILER, you are required to follow ALL "truck speed limit" signs, and never travel in the left lane, unless passing.

35.

Boondocking/Dry Camping: Camping without hookups (water, sewer, electric) restricts the capabilities of the trailer. You are limited to fresh water tank capacity, black & gray tank capacities, battery capacity and propane capacity. These things need to be recharged, refilled, dumped, etc. These things are the responsibility of the renter. We, as owners, take NO responsibility for limited capabilities and capacities due to dry camping/boondocking. Should you choose to dry camp/boondock, you take full responsibility and liability for the limited capabilities and capacities.

36.

Hold Harmless: Renter agrees to hold harmless the owner of the rented TRAILER, at all times for all situations. Renter assumes all risk when renting TRAILER, and owner cannot be held responsible for any accident, injury, loss of income, loss of life or loss of or damage to personal property. Owner assumes no liability for how the TRAILER is used during the rental period.

This agreement is in addition to the rental platform (Outdoorsy, RV Share, etc.) rental contract. Both contracts are in effect, together, during the rental period. Any part of the rental platform agreement that acts in a manner to void this one (or parts of it) is revoked by the renter and owner, as indicated by the signatures below.

Waste Tanks Addendum

Most renters are not familiar with properly operating a TRAILER's black and gray waste holding tanks and; therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks to accommodate the walk though that is done at pick up. There are also step by step instructions in our renter's handbook inside the TRAILER and we will also give you a copy of these instructions during orientation. By signing this waste tank addendum, you are agreeing that you have been

taught how to dump the tanks and that you understand how to do it. (It is always ok to call, text or email us with questions for waste tank dumping or other issues while you are renting the travel trailer.)

**DO NOT EVER LEAVE THE BLACK OR GRAY TANK
VALVES OPEN DURING USAGE!**

RV safe toilet paper will be provided and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amounts of food particles may result in a clog that will require extensive cleaning to clear.

Waste holding tanks (Gray and Black) must be emptied prior to return and valves left CLOSED, and the screw cap left ON.

When you return the TRAILER, the tank levels will be checked during our inspection and if the tank levels on the control panel do not read EMPTY, you will be charged a \$45 dump fee, NO EXCEPTIONS.

Please ensure tanks have been emptied and flushed, if necessary, and tank levels on the control panel read EMPTY prior to returning

****ALL ADD-ON FEES APPLIED TO YOUR SECURITY DEPOSIT WILL BE ASSESSED A PROCESSING FEE OF 15%.**
