

Supplemental Rental and Rules Agreement

“2022 Jayco Redhawk”

VIN: 1FDXE4FN9NDC20596

Owners: Stephen and Lindsay Adams

Date of Contract: _____

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot but we prefer to be up front and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later.

Training: When you pick up the RV, we will complete a pre-rental orientation of the RV that will take about 45 minutes to an hour, depending on any prior experience you have with a travel trailer. It takes time to do a thorough and complete walkthrough, so please plan accordingly.

No Refunds for Early Returns: If you return the travel trailer early we do not refund the days you will not use. This includes if you have been in a motor vehicle accident with the trailer; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.

Fee for Late Returns: A fee of \$50 per hour will be charged if the RV is returned later than the ***agreed upon time***. If the RV is returned after dark or while the owner is not home or available, it will be checked in the next day, during daylight hours, and any applicable damages will be applied to your security deposit. Renter forfeits their right to complete a return walkthrough with the owner, if the unit is returned at a time different than indicated on the rental agreement. All drivers must be at least 25 years old and must be listed on the contract when you pick up the RV. NO EXCEPTIONS.

Example: 15-60 minutes late return \$50

61-120 minutes late return will \$100

Travel Restrictions: No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.

Campground Reservations: We are not responsible for campground reservations. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

Awnings: We DO allow the usage of the exterior awning, but advise using caution! This is for your own protection as well because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.

Generator: Do not leave the trailer unattended while a generator is running. Do not run a generator overnight or while sleeping due to safety reasons. You, the renter, assume all responsibility for any and all damages caused to the trailer & its appliances and systems by the use of a generator.

Tires: The tires on the RV have been inspected and checked, along with all other parts, prior to your rental period but if a tire seems low you can refill it with air. There is also a spare tire included on the back, in the rare event a flat tire/blowout occurs.

Rooftop Usage: We **do not** allow the use of the travel trailer's rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.

Pets: There are no pets allowed in the RV. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and any excess damage will be charged to you accordingly. If any large amounts of pet hair are left upon return, you will be charged a Deep Cleaning Fee (at market rate) for this to be removed.

Propane: Propane must be refilled before you return the camper. A trained professional will do this for you.

Cleaning: We charge a \$100 cleaning fee (interior and exterior). We ask you do your part by returning the RV as you received it or better.

Renter Initials: _____

Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, wipes, flushable wipes, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the **ONLY** thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.

13a. Waste holding tanks (Gray and Black) must be emptied prior to return and valves left **OPEN**. If tanks are not EMPTY, you will be charged a \$75 dump fee.

Smoking: There is **NO SMOKING or Vaping** allowed in the RV. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you will be charged a minimum fee of \$1000. NO EXCEPTIONS.

NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. Any trailers returned with any evidence of drug use or transportation of will result in law enforcement being called for a report and to collect the evidence.

Damage/Minor Repairs: Any damages need to be reported to us immediately. If a potential repair is minor, you may make the repair **after** consulting us. Do not repair anything until you've spoken to us about it. Replacement of defective parts and receipt must be brought back for reimbursement. There will be NO reimbursement if you do not bring back the defective part you replaced and the receipt. If you purchase an item necessary due to an equipment failure (sewer or water hose, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. Should you make a repair without consulting us first, you assume liability for the repair and any subsequent repairs needed.

Renter Damages: If the RV, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, etc., are damaged during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). In case of an accident, theft or vandalism occurs, you are responsible for obtaining a police report, and notifying us immediately. (A documented thorough walk through will be completed, with renter present at the time renter takes possession) THE RENTAL PLATFORM

Camper Abandonment/Owner Retrieval: If for any reason you abandon the RV, you will be charged a \$4,000 fee for Abandonment and Retrieval - plus any applicable fees for ANY lost/missing keys or items/parts from the trailer. Abandonment means leaving the trailer with no intention of returning to it or delivering it back to the owner/drop-off location. In the event you abandon the trailer without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.

Lockout/Lost Keys: In the event a lockout occurs you agree to pay .75 cents per mile, round trip, for owner to drive and unlock the RV and a fee of \$25 PER missing key. If owner is en route and key is found and the RV is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$25 fee PER key. If trailer OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by owner before work is done.

GPS Tracking: The RV has been equipped with a GPS tracking device for safety and must not be removed/unplugged for any reason. Failure to accurately report your destination, or giving an arbitrary destination in order to attend a prohibited event will result in complete loss of your security deposit and you will be requested to return the RV to the owner immediately, and NO refund will be granted for unused rental dates.

Personal Property: Your personal property brought with you is your responsibility, and you release trailer owner(s) from all claims for loss of, or damage to, your personal property, or that of any other person left/carried in or on the RV during your rental period and day of return.

Photos will also be taken by owner for reporting to rental platform &/or insurance. Once a thorough inspection has been completed, any fees for damages, cleaning, dumping, or any other charges will be deducted from your security deposit if applicable.

Rental Period Extension: If, for any reason, your rental period is extended beyond the original rental period dates, you agree that this document will also extend, be valid and enforceable for the entirety of your extended rental period.

Security Deposit: Your security deposit will be refunded (by the rental platform) after the RV has been thoroughly inspected and no issues or damages have been found. Said inspection may take anywhere up to 72 hours post rental period.

Waste Tanks Addendum

Most renters are not familiar with properly operating an RV's black and gray waste holding tanks and; therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks to accommodate the walk though that is done at pick up. By signing this waste tank addendum you are agreeing that you have been taught how to dump the tanks and that you understand how to do it. (It is always ok to call or text us with questions for waste tank dumping or other issues while you are renting the travel trailer.)

DO NOT EVER LEAVE THE BLACK OR GRAY TANK VALVES OPEN DURING USAGE!

RV safe toilet paper will be provided and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amount of food particles may result in a clog that will require extensive cleaning to clear.

Waste holding tanks (Gray and Black) must be emptied prior to return and valves left OPEN, and the screw cap left off if there is one.

When you return the RV, the tank levels will be checked during our inspection and if the tanks are not empty, you will be charged a \$75 dump fee.

Please ensure tanks have been emptied and flushed prior to returning. Once the RV has been parked you will not be permitted to leave again with the RV.
