Primary renter and owner inspect the unit interior/exterior/appliances together before and after rental. Owner and primary renter agree on the condition mutually and any preexisting damage by marking the templates below and documenting any damage, scratches, tears, notable defects, etc., in the space provided. Renter acknowledges that the unit is in good condition and that all devices/appliances are in working condition unless explicitly noted on this page. Renter agrees that any preexisting interior/exterior damage, scratches, tears, notable defects, etc. have been marked on this document or reported on the following document, and any new damage noted upon return/pickup will result in a partial or complete deduction from the renter's security deposit and/or additional claims. All items marked on this page are to be explicitly stated and described in detail on the following page.
