

2023 Coleman LT 17B RV Rental Agreement

We are committed to abiding by RVshare Respectful Community Policy:

RVshare is committed to fostering a community of respect and inclusion regardless of differences. It is our goal for everyone to feel welcome to use RVshare to search for, make available, and/or rent an RV and we expect our community members to join with us in that goal. Biases, prejudice, racism, intolerance, discrimination and hate speech have no place in our community or on our platform and are not only unwelcome but are expressly prohibited.

Communications and interactions should be respectful. Diversity should be celebrated. And traveling by RV should be a connective tissue between people of all backgrounds who love to explore and learn more about different places and cultures.

It is with respect that we reserve the right to remove anyone from our platform who fails to abide by these principles.

We ask that you abide by our rental agreement

- We will not smoke in the RV (failure to abide will result in forfeiting entire security deposit)
- We will not bring any pets or animals into the RV (failure to abide will result in forfeiting entire security deposit)
- We will return the RV in the same condition as we received it or compensate the owners for damage
- We will return the RV in reasonably clean condition (excessive messiness such as dirt/mud or stains will result in an additional \$100 cleaning fee withheld from security deposit)

If towing:

- Only approved drivers will tow the RV
- We will take care to follow all traffic laws including driving within the speed limit
- We will not tailgate and will leave space for three cars in front at all times
