This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period.

- 1. Training:** When you pick up the RV, we will complete a pre-rental orientation of the RV that will take about 1-2 hours, depending on any prior experience you have with an RV. It takes time to do a thorough and complete walkthrough, so please plan accordingly.
- 2. No Refunds for Early Returns:** If you return the RV early, we do not refund the days you will not use. This includes if you have been in a motor vehicle accident with the RV; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.
- 3. Fee for Late Returns:** A fee of \$25 per hour will be charged if the RV is returned later than the agreed upon time. If the RV is returned after dark or while owner is not home/unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be applied to your security deposit. Renter forfeits their right to complete a return walkthrough with owner, if the unit is returned at a time different than indicated in line item # 17. All drivers must be at least 25 years old and must be listed on the contract when you pick up the RV. **NO EXCEPTIONS.**

Example: 1-60 minutes late return \$25
 61-120 minutes late return will \$50

- 4. Travel Restrictions:** No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.
- 5. Toll Roads, Red Light Cameras, Parking Tickets:** Toll invoices are a major burden, and if we receive any a \$70 administration fee plus the cost of the bill for EACH invoice will be applied to your security deposit. Responsibility for any traffic or parking violations will be transferred to you and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. *Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.*
- 6. Campground Reservations:** We are not responsible for campground reservations – including cancelations for COVID. All campground reservations must be made separately with the campground's reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

7. Awnings: We DO allow the usage of the exterior awning but advise using caution! This is for your own protection as well because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.
8. Generator: The generator is well maintained and will be in working order when you pick up the RV. However, continuous use is not guaranteed. It is your responsibility to refuel the generator if necessary. You, the renter, will assume all responsibility for any and all damages caused by misuse of a generator.
9. Electricity: When not traveling, it is highly recommended the RV should be plugged into a 30 AMP receptacle.
 - a. The house batteries will supply power to a few lights, the water pump, and the refrigerator, but are not adequate for more than a few hours of use.
 - b. Excessive battery discharge (more than 50%) will render batteries useless beyond repair and will be replaced at a cost to Renter.
 - c. Stay safe and have fun by always connecting to 30 AMP shore power.
10. Rooftop Usage: We **do not** allow the use of the RV's rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.
11. Tires: For reimbursement, damaged tires must be returned for professional evaluation. Reimbursement is not guaranteed.
12. PETS: No pets shall be allowed in the Vehicle. Failure to comply with this requirement will result in loss of Security Deposit plus cost of cleanup.
13. Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the **ONLY** thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.
 - 13a. Waste holding tanks (Gray and Black) must be emptied prior to return and valves left **Closed**, and the screw cap left ON. If tank levels do not read EMPTY on the control panel, you will be charged a \$75 dump fee. NO EXCEPTIONS.

Waste Tanks Addendum

Most renters are not familiar with properly operating an RV's black and gray waste holding tanks and; therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks to accommodate the walk though that is done at pick up. By signing this waste tank addendum, you are agreeing that you have been taught how to dump the tanks and that you understand how to do it. (It is always ok to call, text or email us with questions for waste tank dumping or other issue while you are renting the RV.)

DO NOT EVER LEAVE THE BLACK OR GRAY TANK VALVES OPEN DURING USAGE!

RV safe toilet paper will be provided, and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amounts of food particles may result in a clog that will require extensive cleaning to clear.

Waste holding tanks (Gray and Black) must be emptied prior to return and valves left CLOSED, and the screw cap left ON.

When you return the RV, the tank levels will be checked during our inspection and if the tank levels on the control panel do not read EMPTY, you will be charged a \$75 dump fee, NO EXCEPTIONS.

Please ensure tanks have been emptied and flushed, if necessary, and tank levels on the control panel read EMPTY prior to returning. Once the RV has been unhitched you will not be permitted to leave again with the RV.

****ALL ADD-ON FEES APPLIED TO YOUR SECURITY DEPOSIT MAY BE ASSESSED A PROCESSING FEE AT THE AMOUNT SET BY RV RENTAL PLATFORM.**
