This agreement outlines additional terms, responsibilities, and safety guidelines required for all renters of the 2022 22-foot Airstream Bambi ("Airstream") with sand-colored interior. By signing below, the renter agrees to all the following conditions:

### 1. General Conduct & Responsibility

- Renter agrees to treat the Airstream with the utmost care and respect, as if it were their own property.
- Renter agrees to return the Airstream in clean, orderly condition.

### 2. Operational Instructions & Safety

- Renter agrees to follow all operational instructions provided at check-in, including but not limited to:
  - Water heater
  - Furnace
  - Water pump
  - Toilet
  - Dumping and emptying gray and black tanks
  - Proper hitching, including safety chains and emergency breakaway cable
- Renter agrees to ensure the stabilizers are lifted before using the hitch jack.

## **Airstream Bambi Rental Agreement Addendum**

- Renter agrees to monitor and manage:
  - Fresh water tank (must be emptied before travel)
  - Gray and black tanks (must be returned empty)
  - Propane tanks (must be returned full)
  - Tire pressure (checked before, during, and after the trip)
  - Battery and solar usage (ration when off-grid)

### **3. Tow Vehicle**

- Renter affirms that their tow vehicle meets the towing capacity and has a brake controller.
- Renter is responsible for safe hitching, towing, and unhitching of the trailer.
- Backup camera use is required when maneuvering.

### **4. Use of Systems**

- A/C may only be used when plugged into shore power. Using A/C on battery will damage lithium batteries.
- Water heater must be turned off when not in use.
- Furnace must not be left running unattended.
- Renter agrees to understand and replace fuses if necessary.

### **5. Interior & Cleanliness**

- Renter agrees to:
  - Sweep and wipe down surfaces
  - Wash any used dishes
  - Strip used bed linens
  - Place dirty towels inside the shower
  - Avoid bringing or storing heavy outdoor items near or against the Airstream
