Supplemental Rental and Rules Agreement

2024 Thor Scope 18M

VIN: 3C6LRVBG2PE503693

Owner: Peter Zumberge

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot but we prefer to be up front and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later.

1. Training: When you pick up the RV, we will complete a pre-rental orientation of the RV that will take about 1 hour, depending on any prior experience you have with a recreational vehicle (RV). It takes time to do a thorough and complete walkthrough, so please plan accordingly.

2. No Refunds for Early Returns: If you return the recreational vehicle early, we do not refund the days you will not use. This includes if you have been in a motor vehicle accident with the recreational vehicle; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.

3. Fee for Late Arrivals and Returns: A fee of \$75 per hour will be charged if the RV is returned later than the agreed upon time. If the renter is more than 90 minutes late for their arrival, the owner has the right to cancel the reservation or reschedule the arrival time at their discretion. If the RV is returned after dark or while owner is not home/unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be applied to your security deposit. Renter forfeits their right to complete a return walkthrough with owner, if the unit is returned at a time different than indicated in line item # 20. All drivers must be at least 25 years old and must be listed on the contract when you pick up the RV. NO EXCEPTIONS.

4. Travel Restrictions: No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.

5. Toll Roads, Red Light Cameras, Parking Tickets: Toll invoices are a major burden, and if we receive any a \$70 administration fee plus the cost of the bill for EACH invoice will be applied to your security deposit. Responsibility for any traffic or parking violations will be transferred to you and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.

6. GPS: The RV has been equipped with a GPS device for safety and must not be removed or tampered with for any reason. Failure to accurately report your destination, or giving an arbitrary destination in order to attend a prohibited event will result in complete loss of your security deposit and you will be requested to return the RV to the owner immediately, and NO refund will be granted for unused rental dates.

7. Campground Reservations: We are not responsible for campground reservations – including cancelations for COVID. All campground reservations must be made separately with the campground’s reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

8. Awnings: We DO allow the usage of the exterior awning if the RV is equipped, but advise using caution! This is for your own protection as well because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount. Use common sense as windy conditions WILL damage the awning.

9. Generators: If you choose to use your own generator, the following rules will apply. Do not use generator inside the trailer- it MUST be kept outside. Do not leave the trailer unattended while a generator is running. Do not run a generator overnight or while sleeping due to safety reasons. Your generator must be a minimum of 3000 watts to run the systems within the RV without causing a power issue. You, the renter, assume all responsibility for any and all damages caused to the trailer & its appliances and systems by the use of a generator.

10. Tires: The tires on the RV have been inspected and checked, along with all other parts, prior to your rental period but if a tire seems low you can refill it with air. There is no spare tire on the RV. Verify that the rental insurance through the rental platform, Outdoorsy, Good Sam or RV Share has Roadside Assistance with towing and tire service.

11. Rooftop Usage: We do not allow the use of the RV’s rooftop. Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.

12. Dogs: You MUST request & get owner approval before allowing a dog in the RV. Owner reserves the right to accept or decline any dog, for any reason. Dogs are not allowed on any upholstered area due to the soft material and the risk of stains, smells or other damage. We do not

charge an extra fee for a dog; however, there is an additional refundable deposit required for dogs, equal to \$250.00, per dog. If any pet damages occur, including evidence of pet urine or feces, you will forfeit your entire security deposit, and any excess damage will be charged to you accordingly. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for this to be removed. (See Fees Addendum)

13. Propane: Propane must be refilled, including portable 20 lb (5 gallon) portable propane tanks, before you return unless you have chosen to add this service (for the \$50 fee) to your booking.

14. Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank or removeable toilet cassette tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the ONLY thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove.

14a. Waste holding tanks (Gray and Black) must be emptied prior to return and valves left Closed, and the screw cap left ON. If tank levels do not read EMPTY on the control panel, you will be charged a \$99 dump fee. NO EXCEPTIONS.

15. Cleaning: We do NOT charge an up-front cleaning fee. The trailer must be returned with a clean interior and empty black and gray tanks. "Clean" means, as you received it or better – as shown in the trailer condition acknowledgement. If you return the trailer dirty, you will be charged a \$99 cleaning fee.

15a. A Deep Cleaning Fee. \$300 will be charged if RV is returned unclean AND requires more than a surface cleaning or any reconditioning.

16. Smoking: There is NO SMOKING allowed in the trailer. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you will be charged a minimum fee of \$1500. NO EXCEPTIONS.

17. Generator: If you opted for a generator add on with your rental (for the fee of \$150), and by signing this agreement, you will be held responsible for the condition of the generator during the period of your rental. It must be returned in the same working condition as it was given to you. The generator is inspected between each rental. You are responsible for the operation of the generator during your rental period. You are permitted 2 hours generator use per day. A charge of \$3 per additional usage hour will be charged at the end of the rental if you have exceeded the

nightly usage hours. The generator is dual fuel but is only permitted to run on propane. If gasoline is detected in the generator upon return you will be charged a minimum fee of \$250. NO EXCEPTIONS. Generator is to be used outdoors only.

18. NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. Any RV's returned with any evidence of drug use or transportation of will result in law enforcement being called for a report and to collect the evidence.

19. Odors/Cooking: We do not allow anything that can create a strong smell in the RV that is difficult to remove, such as the long-term storage or cooking of fish, bacon, deer, etc. These must be prepped/cooked outside the RV. If odors are detected you will be charged the Deep Cleaning Fee of \$300. There is an outdoor Blackstone Grill add on option (for the fee of 50), if needed in the preparation and cooking of smelly food items.

21. Damage/Minor Repairs: Any damages need to be reported to us immediately. If a potential repair is minor, you may make the repair after consulting us. Do not repair anything until you've spoken to us about it. Replacement of defective parts and receipt must be brought back for reimbursement. There will be NO reimbursement if you do not bring back the defective part you replaced and the receipt. If you purchase an item necessary due to an equipment failure (sewer or water hose, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. Should you make a repair without consulting us first, you assume liability for the repair and any subsequent repairs needed.

22. Renter Damages: If the RV, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, etc., are damaged during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). 24. Recreational Vehicle Abandonment/Owner Retrieval: If for any reason you abandon the RV, you will be charged a \$3,000 fee for Abandonment and Retrieval - plus any applicable fees for ANY lost/missing keys or items/parts from the trailer. Abandonment means leaving the RV with no intention of returning to it or delivering it back to owner/drop-off location. In the event you abandon the RV without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.

25. Lockout/Lost Keys: In the event a lockout occurs you agree to pay \$1 per mile, round trip, for owner to drive and unlock RV and a fee of \$300 PER missing key. If owner is en route and key is found and RV is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$300 fee PER key. If RV OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by owner before work is done.

26. Extra fees: You may elect to add certain "extras" to your booking if you like. If you did not elect extra fees at the time of booking, such as the dump fee, etc., you can elect to have them deducted from your deposit. These elections should be noted on this form at the end.
