

Supplemental Rental and Rules Agreement

VIN: -----

Owners: Joe Wilhelm
Andi Wilhelm

This supplemental rental and rules agreement will outline in considerable detail what is expected during your rental period. It may seem like a lot of information but we prefer to be up front and clear so there is no confusion or unrealistic expectations that may cause misunderstandings later. This agreement is a mandatory prerequisite to being allowed to use the RV during your rental period.

- 1.** Training: Before the start of your trip, it is required to complete a pre-rental orientation of the RV. This orientation will take about 1-2 hours, depending on any prior experience you have with a RV. It takes time to do a thorough and complete walkthrough, so please plan accordingly.
- 2.** No Refunds for Early Returns: If you return the RV early we do not refund the unused days/time. This includes if you have been in a motor vehicle accident with the RV; however, if the MVA is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance.
- 3.** All drivers must be at least 25 years old and must be listed on the platform's rental contract when you pick up the RV. **NO EXCEPTIONS. Drivers MUST provide a valid Driver's License and proof of Auto Insurance in order to rent the RV.**
- 4.** Fee for Late Returns: A fee of \$50 per hour will be charged if the RV is returned later than the agreed upon time. If the RV is returned after dark or while owner is not home/unavailable, it will be checked in the next day, during daylight hours, and any applicable damages will be charged against your security deposit. Renter forfeits their right to complete a return walkthrough with owner, if the unit is returned at a time different than indicated in line item #24. All drivers must be at least 25 years old and must be listed on the platform's rental contract when you pick up the RV. **NO EXCEPTIONS.**

Example: 1-60 minutes late return \$50
 61-120 minutes late return will \$100

- 5.** Travel Restrictions: No travel is allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Driving on a non-paved road inside a licensed RV park is acceptable. Driving on unapproved roads will result in the forfeiture of your entire deposit.
- 6.** Toll Roads, Red Light Cameras, Parking Tickets: You are responsible to disclose any tolls, red light tickets or parking tickets to owners at the time you return the RV. Toll invoices are a major burden. If we receive any tolls, tickets or fees related to your rental, a \$70 administration fee plus the cost of the bill for EACH invoice will be charged to you. Responsibility for any traffic or parking violations will be transferred to you and you will be charged a \$70 administration fee. If you want to use toll roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc. mail comes our way or the \$70 administration fee, plus the bill will be applied. *Note: Most toll agencies are good to work with and will help you out if a mistake is made and you call them right away.*
- 7.** Campground Reservations: We are not responsible for campground reservations – including cancelations for COVID. All campground reservations must be made separately from your reservation with us, with the campground's reservation agency. All campground and campsite fees are separate from and in addition to the rental price and fees under this agreement. No refunds will be given for campsite reservation errors.

Renter Initials: _____

8. Mileage: During the course of your RV rental, there are **100 miles included per day** (totalized per trip length). Each subsequent mile driven over the included number of miles will be charged against your security deposit, at a rate of **\$0.35** per mile. Maximum allowed vehicle mileage is 500 miles per day (totalized per trip length) – exceeding this amount will result in forfeiture of entire security deposit, and will be subject to additional fees.
9. Awnings: We DO allow the usage of the exterior awning, but advise using caution! This is for your own protection, because they are NOT COVERED by insurance and they are very expensive to repair or replace if damaged. Damage to awnings, including damage while driving, any acts of nature, or negligence are 100% your responsibility and will exceed your security/damage deposit amount.
10. Fuel: The RV you are renting runs on **unleaded gas**. Failure to use the correct fuel will cause significant damage to the RV and you will be charged for all related damages and fees. You are responsible for all fuel charges. You are also responsible for re-fueling and any charges that may arise from running out of fuel. Roadside assistance may be of some help, but there is no guarantee. The RV must be returned with the same level of fuel present as the time of pickup/delivery, or \$8 per gallon will be charged to your security deposit for any necessary refueling. A full tank fillup is approximately 55 gallons.

11. Tires: The tires on the RV have been inspected and checked, along with all other parts, prior to your rental period, but if a tire has low pressure you can refill it with air. There is no spare tire with the RV, and you are responsible for a flat tire and any associated damages. **If you have a tire issue, please contact us immediately** – we have a tire warranty with Discount Tire and it may be eligible for a free repair.
12. Rooftop Usage: **We do not allow the use of the RV rooftop.** Any evidence of rooftop usage (shoe prints, trash, sagging areas) will result in a complete loss of your entire security deposit. In the event the damage is more than your security deposit, you agree to be fully responsible for the total cost of repair.
13. Pets: **Pets are NOT allowed in the RV at any time.** If any damages occur due to pets, including evidence of pet urine or feces, you will forfeit your entire security deposit, and you agree to pay any excess damage fees. If any large amounts of pet hair are left upon return, you will be charged a full Deep Cleaning Fee for it to be removed. (See Fees Addendum)
14. Propane: Propane must be refilled to the same level present at pickup (indicated below) before you return unless you have chosen to add this service to your booking. Return fees are as follows: \$50 (if empty), \$40 (if 1/3 full), \$30 (if 2/3 full), per the interior control panel reading.

15. Waste Holding Tanks: There should be nothing, including, but not limited to feminine napkins or tampons, diapers, tissues, napkins, etc. put into the black water waste holding tank as this will cause it to become clogged and require an exceptional amount of cleaning to clear. You will be provided with many rolls of RV safe toilet paper and we ask that this is the ONLY thing put into the waste holding tank. There is to be nothing other than sink or shower water put into the gray water holding tank. Any type of food particles put into the gray tank may cause a clog that will require extensive cleaning &/or repair to remove. **Use the outdoor shower for washing off sand.**

15a. Waste holding tanks (Gray and Black) may be returned full (we do not require dumping), but the **valves MUST be left CLOSED, with no visible waste liquid at the drain cap, otherwise you will be charged a full Deep Cleaning Fee. NO EXCEPTIONS.**

Renter Initials: _____

16. Cleaning: We charge an up front prep fee of \$150, which includes prep and sanitizing the unit prior to your arrival, but the RV must be returned with a clean interior. Linens should be left on the beds or the floor, and do not need to be washed upon return as long as excess cleaning is not required. Toilet bowl and seat (top and bottom) need cleaned, and any bleach wipes or paper towels must be thrown in the trash (not the toilet). Sinks and shower must be rinsed and wiped down. Floors should be swept. The exterior of the RV may be rinsed off as needed (please rinse off any excess dirt or sand), but do not attempt to fully clean the exterior or remove bugs as it may scratch the paint – plus, we include that as our routine RV prep.

“Clean” means, as you received it or better – as shown in the trailer condition acknowledgement. Things like glitter, silly string, hair color, nail polish, etc can cause a lot of damage and should not be used in the RV.

16a. A Deep Cleaning Fee of \$300 will be assessed if RV is returned unclean AND requires anything more than a surface cleaning or any reconditioning.

17. Smoking: There is **NO SMOKING and NO VAPING** allowed in the RV. If smoke (including cigars, pipes, vapes, drugs, etc.) is detected you will be charged a minimum fee of \$1500. NO EXCEPTIONS.

18. Seatbelts: The RV is equipped with 7 seatbelts. No passengers may travel in the RV without wearing a seatbelt.

19. RV Refrigerator: The RV refrigerator needs to be level to operate correctly. It is the renters responsibility to ensure they are level when parked, to minimize risk for damage to the refrigerator. Any damage sustained by the refrigerator due to it being unlevel will be charged to the renter.

20. CO/LP Detector: The CO/LP detector is present for your safety. It is **hardwired**. CO/LP detectors that are hardwired are supplied power through the house batteries. This means if the house battery levels get low, they might not supply adequate power to the CO/LP detector and it could start beeping. The Renter is responsible for maintaining the house battery level necessary to power the CO/LP detector.

21. Generator: The use of the on board generator is included in your RV rental, up to **4 hours per day**. Any hours exceeding the included hours will be billed to your security deposit at a rate of **\$3.00 per hour**. You will be held responsible for the condition of the generator during the period of your rental. It must be returned in the same working condition as it was given to you. The generator is inspected between each rental. You will be responsible for replacing the generator if it is stolen or lost during the course of your rental period. The generator runs off the vehicle gas tank, and will not run once the tank is below ¼ full. You are responsible for the operation of the generator during your rental period.

22. NO DRUGS: Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. If the RV is returned with any evidence of drug use or the transportation of drugs, it will result in law enforcement being called for a report and to collect the evidence.

23. Odors/Cooking: We do not allow anything that can create a strong smell in the RV that is difficult to remove, such as the long term storage or cooking of fish, bacon, deer, etc. These must be prepped/cooked outside the RV. If food/cooking odors are detected you will be charged and agree to pay the Deep Cleaning Fee of \$300. An outside grill and stove is available upon request, if needed in the preparation and cooking of smelly food items.

24. Rental Period: TBD, until
TBD

- 25. Damage/Minor Repairs:** Any damages/issues/problems/repairs need to be reported to us immediately. If a potential repair is minor, you may make the repair only after consulting us. **Do not repair anything until you've spoken to us about it.** Replacement of defective parts and receipt must be brought back for reimbursement. If you purchase an item necessary due to an equipment failure (sewer or water hose, etc.) the item you purchased and the receipt must be surrendered upon return of the RV, if you want reimbursement. Should you make a repair without consulting us first, or without following written/oral instructions given, you assume liability for the repair and any subsequent repairs needed.
- 26. Renter Damages:** If the RV, inside or out, and/or ANY of its contents that were present at the time of pick up, including, but not limited to couches/chairs, beds/bedding, counters, walls, everything on the inventory list, etc., are damaged or lost during your rental period you are responsible for paying all damages, whether you were at fault or not, or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc.). In case of an accident, theft or vandalism occurs, you are responsible for obtaining a police report, and notifying us immediately. (A documented thorough walk through will be completed, with renter present, at the time renter takes temporary possession) **THE RENTAL PLATFORM (Outdoorsy, RV Share, etc) insurance policy does NOT cover interior damage or repairs. Damage to the interior of the RV is charged to the renter, via cash upon return or charged against your security deposit.**
- 27. Driving Safety:** Driving an RV is not like driving a standard vehicle and requires your undivided attention. **ONLY verified drivers may drive the RV – never allow a valet or camp host or anyone else who is not a verified driver drive or park the RV.** Please remember that RV's are much taller than a standard vehicle and are not equipped to withstand an impact with a tree, low bridge/overpass etc. These types of impacts will result in damages totaling MORE than your security deposit - be aware of low clearance signs. All damages to the RV, including damage while driving (tree, low overpass, drive-throughs, etc.), are 100% your responsibility and will exceed your security/damage deposit amount. The dimensions of the RV are listed on the rental listing and in the rental binder. Never attempt going through a drive-through in the RV.
- The RV has a driving monitoring system that alerts the RV OWNER in the event of unsafe driving (e.g. excess speed, hard braking, etc). We recommend driving a little slower than you would with a normal vehicle – driving 55-65 on the freeway will handle better and save on your gas bill. When climbing, please do not exceed 55 mph and downshift as needed, and also downshift when coasting downhill – this will reduce the risk of damage to the engine or brakes, which will total MORE than your security deposit.
- 28. Towing:** Towing is not allowed. No exceptions.
- 29. Appliances:** The air conditioning, radio, microwave, television, etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you. In case of any malfunction please contact us immediately for assistance and we will do our best to troubleshoot or attempt to have someone come to you for repairs. Do not use the air conditioning and the microwave at the same time, as this may overload the electrical system and trip the circuit breakers.
- 30. Camper Abandonment/Owner Retrieval:** If for any reason you abandon the RV, you will be charged a \$3,000 fee for Abandonment and Retrieval - plus any applicable fees for ANY lost/missing keys or items/parts from the trailer. Abandonment means leaving the trailer with no intention of returning to it or delivering it back to owner/drop-off location, before the end date/time of your rental period. In the event you abandon the trailer without signing return documents, you agree to waive your right to dispute any claims due to damages, overages, or vandalism.
- 31. Lockout/Lost Keys:** In the event a lockout occurs you agree to pay .75 cents per mile, round trip, for owner to drive and unlock RV and a fee of \$25 PER missing key. If owner is enroute and key is found and RV is unlocked, you will only need to pay for mileage up to that point round trip. If no lockout occurs but a key is missing upon return of RV, you will be charged a \$25 fee PER key. If RV OWNER determines a locksmith is required for lockout/lost key service, the full locksmith cost is to be paid by the RENTER, at the time of service – locksmiths must be scheduled and approved by owner before work is done.

Renter Initials: _____

- 32. First Aid Kit:** There is a first aid kit provided. Please use what you need, should it become necessary – once it is opened, you own it & will be charged \$10 (replacement value). In the event you use anything in it, take the kit with you – as this is a personal and bodily fluid/pathogen related item, its not possible for us to pass it from renter to renter. SEPARATELY, there is a box of generic basic Band-Aids in the bathroom vanity cabinet – use these if necessary, without fee.
- 33. Extra fees:** You may elect to add certain "extras" to your booking if you like. If you did not elect extra fees at the time of booking, you can elect to have pay them at the time of pickup or have them deducted from your deposit. These elections should be noted on this form at the end.
- 34. GPS Tracking:** The RV has been equipped with a GPS tracking device for safety and must not be removed/unplugged for any reason. Failure to accurately report your destination, or giving an arbitrary destination in order to attend a prohibited event will result in complete loss of your security deposit and you will be requested to return the RV to owner immediately, and NO refund will be granted for unused rental dates.
- 35. Personal Property:** Your personal property brought with you is your responsibility, and by signing this agreement, you release RV owner(s) from all claims for loss of, or damage to, your personal property, or that of any other person left/carried in or on the RV during your rental period and day of return.
- 36. Personal Injury:** You release the RV owner(s) from all claims for injury, including, but without limitation to, personal, bodily, or mental injury, as well as economic loss or damage to you, children, guests, or relatives during your rental period including return period.
- 37. Severability:** If any provision within this Supplemental Rules and Rental Agreement is determined to be invalid, void, or unenforceable judicially, the remaining provisions shall remain in full effect and force.
- 38. Modifications/Waivers:** No provision within this Supplemental Rules and Rental Agreement can be waived or modified for any reason except in a written document which the owner(s) signed.
- 39. Damages Above Security Deposit/Insurance Claims:** In the event there is any damage above the amount of your security deposit, you agree to pay the RV owner(s) any monies due and allow the rental platform company to charge your credit card on file for said charges, plus processing fees.
- 40. RV Return:** When RV is returned, you agree that it will be free from damages and cleaned. Once RV has been returned, the RV will not be allowed to be taken anywhere else and the rental period will be considered complete. (This is for insurance purposes) A preliminary walk through will be completed. Photos will also be taken by owner for reporting to rental platform &/or insurance. Once a thorough inspection has been completed by the RV owner, any fees for damages, cleaning, dumping, or any other charges will be deducted from your security deposit if applicable.
- 41. Credits:** There will be no refund/credit for any lost rental time for any issue(s) that arise beyond the owner's control. This includes, but is not limited to, flat tire(s), weather, any and all systems within the RV that were working at pickup (refrigerator, heater, LED lights, sound system, etc.), damages to any part(s) of RV whether the renter was at fault or not, or due to renter's or any guests' negligence.
- 42. Rental Period Extension:** If, for any reason, your rental period is extended beyond the original rental period dates, you agree that this document will also extend, be valid and enforceable for the entirety of your extended rental period.

Renter Initials: _____

- 43.** Security Deposit: Your security deposit will be refunded (by the rental platform) after the RV has been thoroughly inspected and no issues or damages have been found. Said inspection may take anywhere up to 72 hours post rental period, and timing for security deposit refund will depend on the rules of the rental platform.
- 44.** Boondocking/Dry Camping: Camping without hookups (water, sewer, power) restricts the capabilities of the RV. You are limited to fresh water tank capacity, black & gray tank capacities, battery capacity and propane capacity. These things need to be recharged, refilled, dumped, etc. These things are the responsibility of the renter. We, as owners, take NO responsibility for limited capabilities and capacities due to dry camping/boondocking. Should you choose to dry camp/boondock, you take full responsibility and liability for the limited capabilities and capacities, and any unmet expectations due to use without hookups.
- 45.** Value Agreement: The renter agrees the replacement value of the RV is **\$70,000**
- 46.** Hold Harmless: Renter agrees to hold harmless the owner of the rented RV, at all times, for all situations. Renter assumes all risk when renting RV, and owner cannot be held responsible for any accident, injury, loss of income, loss of life or loss of or damage to personal property. Owner assumes no liability for how the RV or contents provided with it is used during the rental period. Furthermore, the renter agrees not to disparage the Owner of the RV in any manner at any time.
- 47.** Fees: The Renter agrees to not attempt to discharge any unpaid fees for damage, claims or other fees, assessed according to this agreement.
- 48.** This agreement serves as a supplement to the rental agreement, regardless of the rental platform (Outdoorsy, RV Share, etc) and supersedes all contradictory terms of the platform rental agreement, if any. This agreement also supersedes any contradictory terms and conditions listed on the rental platform.

WASTE TANKS ADDENDUM

Most renters are not familiar with properly operating an RV's black and gray waste holding tanks and; and therefore, have many questions and concerns regarding this. This addendum is meant to act as a clear outline for your responsibility as a renter for properly using and dumping the waste tanks, and the fees if not done successfully. We will go into considerable detail during your pickup orientation and training regarding the proper dumping of these tanks to accommodate the walk though that is done at pick up. There are also step by step instructions in our renters handbook inside the RV and we will also give you a copy of these instructions during orientation. By signing this waste tank addendum you are agreeing that you have been taught how to dump the tanks and that you understand how to do it. (It is always ok to call or text us with questions for waste tank dumping or other issue during the course of your RV rental.)

DO NOT EVER LEAVE THE BLACK OR GRAY TANK VALVES OPEN DURING USAGE!

RV safe toilet paper will be provided and we ask that this is the ONLY thing put into the black tank. No other items, including feminine napkins or tampons, diapers, tissues, paper towels, etc., should be put into the black tank or a clog may result.

There is to be NO food, or any other item, other than sink and shower water, placed into the gray tank. Any amounts of food particles may result in a clog that will require extensive cleaning to clear.

Waste holding tanks (Gray and Black) are not required to be emptied prior to return (we include dumping for free upon return), but the Gray and Black tank valves must ALWAYS be left CLOSED, and the clear screw cap left ON. If there is any visible liquid waste at the clear screw cap, renters will be required to empty and flush prior to return, otherwise renters will be responsible for the \$300 Deep Cleaning fee

If there is any evidence of items clogging the Gray or Black tank, renters will be responsible for the \$300 Deep Cleaning fee as well as any other costs associated with cleaning/repairing the tanks.

****ALL ADD-ON FEES APPLIED TO YOUR SECURITY DEPOSIT WILL BE ASSESSED A PROCESSING FEE OF 15%.**
