2014 Itasca Solei 38R Diesel Pusher Motorhome

General Terms & Conditions

1. Use only HE laundry detergent in the clothes washer.
2. Clean out lint trap after each use of the clothes dryer.
3. Remove covers from stove top (both) and turn propane on prior to using stove top.
4. Ensure passenger captain's chair is moved forward and in upright position prior to engaging slide outs.
5. The hot water heater runs on propane. For hot water, open the propane tank valve and turn on the switch in the midship control panel.
6. There are some toiletry and cleaning supplies available in the half bath storage cabinet. Please replenish what you use from this cabinet.
7. Use a spotter and a cell phone or other radio device when backing the RV or maneuvering in tight areas.
8. Dump stations can be found at Flying J truck stops and most campgrounds. The nearest campground to us is Harpers Ferry KOA. 343 Campground Rd, Harpers Ferry, WV 25425 (304) 535-6895
9. Never leave black and gray tank valves open at any time; they should only be open when emptying tanks. Both tanks should only be emptied when full or nearly full. If you have to dump before this point, fill the tank with water first. Dump your black tank first, then dump the gray tank. The gray tank water will help flush out anything stuck to the insides of the sewer hose.
10. Tank level indicators can be found in the midship control panel. Do not open both gray and black valves at the same time.
11. By booking this RV, you agree to our Terms of Service which can be found at <https://ezrv.rent/policies>
12. Have a great time!

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. Easy RV Rentals has put in place preventative measures to reduce the spread of COVID-19; however, Easy RV Rentals cannot guarantee that you or your child(ren), or guest with you, will not become infected with COVID-19. Further, renting Easy RV Rentals could increase your risk and your child(ren)'s and guest with you, risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren), guests and I may be exposed to or infected by COVID-19 by renting Easy RV Rentals and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 while renting Easy RV Rentals may result from the actions, omissions, or negligence of myself and others.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren), my guest, or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I, my guest or my child(ren) may experience or incur in connection with renting Easy RV Rentals. On my behalf, my guest behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless Easy RV Rentals, its owners, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Easy RV Rentals and its owners, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in renting Easy RV Rentals.
